

MINISTRY OF HEALTH

JUBA TEACHING HOSPITAL

Office Of The Director General

Date: 13th April 2026

Country Representative,

ECSACOG- RSS,

RE: Suspension of clinical placement of Registrars in Obs. & Gyn. Department JTH

The administration of Juba Teaching Hospital seizes this opportunity to present its compliments for your continuous collaboration and support. In this regard, we would like to bring the following to your attention concerning the Obstetrics & Gynaecology registrars undergoing clinical training in JTH:

1. JTH has opened its doors for the training of your registrars without any pre-conditions and payment of deserved fees to the hospital as is the practice in the region. There was no MOU signed between ECSACOG and JTH concerning the training of these registrars, which is a legal document that spells out the details of this relationship.
2. The registrars in Obstetrics & Gynaecology have written a letter to the administration which is obnoxious in language and contains unrealistic demands. We engaged them in a constructive meeting last week in which every detail of their demands was discussed and explained and proper solutions and way forward given.
3. Yet today without regard to the above arrangements from the administration they chose to abstain from duties and incite other staff not to report to duty.
4. Therefore, due to the above the administration of the hospital has decided to suspend those registrars who are insisting on disrupting services to the vulnerable patients and trying by all means without regard to solutions given by the administration to cause sabotage instead of focusing on their training.
5. The suspension will be with immediate effect until further arrangements are done.
6. We also want to inform you that we are looking forward to share with you a draft MOU that will guide the relationship between our two institutions for improving the quality of training.

Dr. Gift Gibson Natana
Director General
Juba Teaching Hospital

CC: Undersecretary MOH
CC: DG Medical Services MOH
CC: DDG JTH
