Juba-Bor Highway Incident

Date 22/07/2026

Dear Valued Clients,

We regret to inform you that one of our buses was involved in an armed ambush this morning along the Juba-Bor Highway near Mongiri.

During the incident, our driver sustained a gunshot injury and is receiving medical attention currently, We are grateful to report that all passengers are safe. Three passengers sustained minor injuries from shattered window glass caused by the gunfire and have received the necessary assistance.

Unfortunately, the criminals robbed **passengers' cash**, mobile phones, and other small personal belongings before fleeing the scene.

We are working closely with the relevant security authorities and are providing all possible support to our driver and affected passengers. We sincerely appreciate your concern, understanding, and continued trust during this difficult time.

We will share further updates as more information becomes available.
